16/07/2025 Special activities for kids

The Porsche Museum is a lively place where past, present and future converge. The Museum therefore offers special activities for children such as children's tours, a museum rally and a child-friendly multimedia guide. It is even possible to hold children's birthday parties against a backdrop of more than 30,000 PS of automotive history.

Together with Tom Targa and Tina Turbo, children will also be able to discover the Porsche Museum's permanent exhibition at twelve adventure stations. You can find more information here.
