

Partner to society

24/07/2026 Porsche is committed to being a responsible member of and partner to society. With this comes the responsibility to act positively and to create added value for people and the environment.

Porsche is committed to being a responsible member of and partner to society. With this comes the responsibility to act positively and to create added value for people and the environment.

As part of the “Partner to society” strategy field, Porsche aims to assist regions around the world in preserving the environment, guaranteeing good working and living conditions and strengthening social cohesion. It supports corporate citizenship projects primarily intended to benefit young and disadvantaged people—also using a company fund established specifically for this purpose.

Selected Corporate Citizenship Projects
