It's back: Rennsport Reunion 7

28/03/2023 *Icons of Porsche* is not just the theme for Rennsport Reunion 7, but represents the talented people who have pushed the limits, taken risks and bravely driven Porsche to success over the past 75 years as a sports car marque.

Today is a special moment as we count down towards Rennsport Reunion 7.

On September 28th – *exactly six months today* – the world's biggest Porsche fan gathering begins. It'll bring together the most significant, beautiful, ambitious, successful and daring cars we've ever created to compete on the track and on the road; Rennsport is wonderful, and unique. But most of all, Rennsport is about the people. It's a celebration of everything that Porsche means to us – attracting brave racers from our past and our present through to fans, enthusiasts, collectors and those who have worked – and continue to work – for Porsche around the world.

As the festival draws nearer over the next six months, we're going to be sharing with you more information on what to expect and how you can get involved as we mark 75 years of Porsche sports cars in style. Enclosed is a reminder of what it's all about – neatly summed up in under 60 seconds!

See you at Rennsport ...
